SUPPLEMENTARY INFORMATION:

Background

On August 8, 1996, the Department initiated an administrative review of the antidumping duty order on furfuryl alcohol from the RSA, covering the period December 16, 1994, through May 31, 1996 (61 FR 41374). In our notice of initiation, we stated that we intended to issue the final results of this review no later than June 30, 1997.

Postponement of Preliminary Results of Review

Section 751(a)(3)(A) of the Act requires the Department to make a preliminary determination within 245 days after the last day of the anniversary month of an order for which a review is requested. However, if it is not practicable to issue the preliminary results in 245 days, section 751(a)(3)(A) allows the Department to extend this time period to 365 days.

We determine that it is not practicable to issue the preliminary results within

245 days because there are complex legal and methodological issues to address, such as duty reimbursement and fictitious market allegations, in this first review of this antidumping duty order under the new law.

Accordingly, the deadline for issuing the preliminary results of this review is now no later than June 30, 1997. The deadline for issuing the final results of this review will be 120 days from the publication of the preliminary results.

This extension is in accordance with section 751(a)(3)(A) of the Act.

Dated: January 14, 1997.

Barbara R. Stafford,

Deputy Assistant Secretary, Import Administration
